

Looking Forward to the 2010 Antique Radio Auction in Iowa

First, some photos and highlights of the 2009 Auction. The 2009 Auction had great variety: Collins gear, table top radios, consoles, chairsides, crystal sets, shortwave sets, tubes, all sorts of parts, tape recorders, manuals, horn speakers, novelty radios, test equipment, home brews, cathedrals, books, tube testers, and much more.

A few highlights were a tube Pepsi radio, A rare globe Cardon 585 tube, 1900's spark gap generator, Melody Cruiser ship radio, hotel coin operated radio, 1925 Beardsley crystal radio, Zenith chairside, two catalin radios, and the highest selling item– one of the first TV's ever made, a mechanical scanning disc Echophone model 41 which sold for \$3,000.00.
